The Master of Science in Educational Psychology Option at Oklahoma State University provides learners with a solid foundation with all aspects of psychology relevant to education.

Are you interested in conducting research on human learning, development or motivation? Do you see yourself using principles of Educational Psychology to design educational programs, lead professional development or inform educational policy?

Our Master of Science (MS) program in educational psychology can advance your career or prepare you for doctoral studies. In addition to the master program, we also offer a Ph.D. program in educational psychology if you wish to pursue advanced training in effective learning and teaching.

PROVISIONAL ADMISSION

Provisional admission may be granted for one semester if one of the minimum background requirements is not met.
Provisionally admitted students may be granted full admission after completing the conditions of provisional admission stated on the acceptance letter and approval of the area. Provisionally admitted master’s students must receive a 3.5 GPA for the first nine credit hours taken.

Visit gradcollege.okstate.edu for additional details and graduate college information.

APPLICATION DEADLINE

Applications are accepted for enrollment each semester. Fall and spring semesters have a priority deadline. Completed applications received prior to the priority deadline will be reviewed before the final deadline. “Priority” applicants will receive notification of acceptance/rejection prior to the final deadline.

Fall semester priority: March 15
Fall semester final: July 15
Spring semester priority: October 15
Spring semester final: December 1
Summer: March 15
