

# GRADUATE CERTIFICATE IN COMPARATIVE AND INTERNATIONAL EDUCATION

COLLEGE OF  
EDUCATION,  
HEALTH &  
AVIATION

**The Graduate Certificate in Comparative and International Education program** is designed for students who seek to become more knowledgeable about educational philosophies and policies across the globe through examining comparative practices. It is aimed at teachers or school/district administrators, international students and individuals who wish to work in many fields, including policy making, nongovernmental organizations (NGOs), academic research and multilateral organizations (the World Bank, the United Nations, etc.). The certificate will enable students to have a critical understanding of key debates surrounding education as an international issue and to make analytical comparisons between educational issues in different contexts, including their own.
