The school library media master’s program is accredited by the American Library Association (ALA) through the Council for the Accreditation of Educator Preparation (CAEP). This degree leads to advanced certification as a school library media specialist in Oklahoma.

The rigorous educational technology coursework enables candidates to serve P12 schools as a certified school librarian as well as a technology integration specialist. This program is offered fully online.
ADMISSION REQUIREMENTS
Applications are accepted on a rolling basis. To be considered for admission to the program, applicants must have:

▷ Undergraduate degree with at least 3.0 GPA from an accredited institution
▷ Current teaching certificate
