

MINOR IN

LEARNING & MOTIVATION

COLLEGE OF
EDUCATION,
HEALTH &
AVIATION

PROGRAM HIGHLIGHTS

DESCRIPTION OF MINOR

Coursework will provide students with a foundational knowledge of human learning and motivation to better prepare them for successful careers, including, but not limited to, education, business, communications, economics, health promotion, hotel and restaurant administration, human services, journalism, natural resource management, political science and theatre.

For those interested in becoming teachers, this minor covers the American Psychological Association's Coalition for Psychology in Schools and Education's top 20 principles for psychology for teaching and learning. Learn more at www.apa.org.
