<p>Senior Year – Fall (13 hours) AVED 3341 Multi-Engine Flight Lab AVED 4113 Aviation Safety (F) AVED 4703 Crew Resource Mgmt (F) AVED 4993 Aviation Labor Relations 3 hours (A) (H) (N) or (S) credit [select course also with (D) or (I) credit if not already done] <u>Flying Costs Approximately \$10,600</u> Additional costs: \$500 Check Ride <i>**(\$260 insurance fee)</i></p>	<p>Senior Year – Spring (14 hours) AVED 3433 Av/Aerospace Ethics AVED 3663 Aero Air Carrier Industry AVED 4232 Certified Flight Instructor Flt Lab AVED 4353 Cockpit Automation AVED 4653 International Aero Issues <u>Flying Costs Approximately \$5,300</u> Additional costs: <i>**(\$500 software fee for 4353)</i> <i>**(\$260 insurance fee)</i> FAA Designated Examiner Fee \$900</p>

*See 2018-19 degree sheet for recommended AVED classes to take as electives; also consider a (D) or (I) course.

**** () is for student fees that will appear on the student's bursar bill and are not paid at the Flight Center.**

Flying Costs are payable with student's flight center account. **Additional costs** are not payable with flight center account.

The Flying Cost projections (\$41,500 total), from August 2017, are approximate and subject to change as Avgas, aircraft maintenance, etc., costs increase as well as individual progression of student.

Sixty (60) hours must be completed at a senior college and must include forty (40) upper-division hours. The student must have 120 total hours with a 2.50 graduation/retention GPA. A 2.50 GPA is required in the Major Requirements block with no grade below "C."

THIS PLAN IS ONLY A GUIDELINE. PLEASE REFER TO YOUR DEGREE REQUIREMENT SHEET FOR SPECIFIC REQUIREMENTS.
