Submit Graduation Application and consider submitting Block Rate Exception form

Course Attribute Guide: (A) Analytical and Quantitative Thought; (H) Humanities; (S) Social and Behavioral Sciences; (N) Natural Sciences; (L) Scientific Investigation – Laboratory Science; (D) Diversity; (I) International Dimension

Must have one course designated with “I” International Dimension. Students are encouraged to take H/I course.

Must have one course designated with “D” Diversity Dimension. Students are encouraged to take H/D or D/S course.

Minimum grade of “C” in major requirements

Other Requirements

- 40 upper-division hours required.
- A 2.50 Major GPA is required. This includes all courses in College and Major Requirements.
- A 2.50 Major GPA is required for full admission to the Internship Program.
- **Transfer Admission Requirements:** 2.00 for less than 31 hours; 2.25 for 31–45 hours; 2.50 for more than 45 hours and minimum grade of “C” in Math 1483 or MATH 1513 or MATH 2103.

Additional State/OSU Requirements

- At least: 60 hours at a four-year institution; 30 hours completed at OSU; 15 of the final 30 or 50% of the upper-division hours in the major field completed at OSU.
- Limit of: one-half of major course requirements as transfer work; one-fourth of hours earned by correspondence; 8 transfer correspondence hours.
- Students will be held responsible for degree requirements in effect at the time of matriculation and any changes that are made, so long as these changes do not result in semester credit hours being added or do not delay graduation.
- Degrees that follow this plan must be completed by the end of Summer 2027.

This plan is provided as a courtesy. The official degree requirements sheet and Degree Works audit are used to determine eligibility for graduation.
