Course Attribute Guide: **(A)** Analytical and Quantitative Thought; **(H)** Humanities; **(S)** Social and Behavioral Sciences; **(N)** Natural Sciences; **(L)** Scientific Investigation – Laboratory Science; **(D)** Diversity; **(I)** International Dimension

Must complete one course designated with **(I)** International Dimension.

Must complete one course designated with **(D)** Diversity Dimension. Students are encouraged to take a course designated **(DH)** or **(DS)**.

Other Requirements:

- 40 hours of upper-division coursework.
- A 2.50 GPA is required in the Major Requirements with no grade below a "C".

Additional State/OSU Requirements:

- At least: 60 hours at a four-year institution; 30 hours completed at OSU; 15 of the final 30 or 50% of the upper-division hours in the major field completed at OSU.
- Limit of: one-half of major course requirements as transfer work; one-fourth of hours earned by correspondence; 8 transfer correspondence hours.
- Students will be held responsible for degree requirements in effect at the time of matriculation and any changes that are made, so long as these changes do not result in semester credit hours being added or do not delay graduation.
- Degrees that follow this plan must be completed by the end of Summer 2028.

This plan is provided as a courtesy. The official degree requirements sheet is used to determine eligibility for graduation. The plan above is an example of how students can successfully complete degree requirements in four years. This suggested class schedule plan may be used as a guide and can be adjusted based on individual needs. Students are required to meet with an academic advisor prior to enrollment each semester to plan their class schedule, and students are ultimately responsible for completing all degree requirements.
