IMPORTANT: File diploma application with enrollment.

IMPORTANT: All DM courses and/or course prerequisites must have a minimum grade of C.

Prior to enrolling in an OSU math class, you will need to complete the Math Placement Exam to ensure success in your first math course. The OSU Math Placement Exam is designed to find the strengths and weaknesses of your mathematical knowledge, report results to you, and then, if necessary, provide you with online learning modules for improving your knowledge to prepare for the appropriate course. **Math Placement Exam:** <https://go.okstate.edu/admissions/orientation-and-enrollment/math-placement>

Other Requirements:

- 1) 40 hours of upper-division course work
- 2) Required for graduation:
 - a) 2.00 Overall GPA.
 - b) 2.50 GPA in major for enrollment in RMRT 4680 Internship in Recreations Management; and
 - c) 2.50 GPA in College/Departmental Requirements
- 3) The student must earn minimum grades of "C" or "P" in the College/Departmental and Major Requirements

Additional State/OSU Requirements:

- At least: 60 hours at a four-year institution; 30 hours completed at OSU; 15 of the final 30 or 50% of the upper-division hours in the major field completed at OSU.
- Limit of one-half of major course requirements as transfer work; one fourth of hours earned by correspondence; 8 transfer correspondence hours.
- Students will be held responsible for degree requirements in effect at the time of matriculation and any changes that are made, so long as these changes do not result in semester credit hours being added or do not delay graduation.
- Degrees that follow this plan must be completed by the end of Summer 2032.
