

**Oklahoma State University
School Psychology Program
Course Instructor Evaluation**

Due _____

As professional psychologists in training, it is important for the school psychology students to be provided feedback regarding their professional personal and interpersonal competencies as well as feedback regarding their mastery of course content. For students in your class this semester, please take the time to respond to the following items, review your responses with the student, sign it, and have the student include the information in his/her evaluation packet which will be turned in to the school psychology program faculty in time for a review and feedback session with the student. The evaluation should be open, honest, and provide constructive feedback for professional growth. Please indicate strength areas as well as areas needing improvement. Please contact a school psychology program faculty member if you have any questions or concerns which you would like to discuss directly.
