

Q: I have a U.S. passport. What do I need to do?

- A. If you currently have a U.S. passport, please check the following:
- Your passport is valid for at least **6 months** after your date of return
 - Your passport has at least **2 blank visa pages** (even if you will not need a visa)
 - Your passport is in good condition and does not have significant signs of damage
 - Your passport is signed (first page, where it says “Signature of Bearer”)

- B. If your passport needs to be renewed, please click [HERE](#):
- Complete the **DS-82** form
 - Submit your most recent U.S. passport
 - Provide new passport photos
 - Pay your fees

Important

- While processing time is listed as taking 4-5 weeks, it can take much longer to get your passport. **PLEASE DO NOT WAIT** to submit your passport application!
- If you will be leaving the country in 2 months or less, please use the [expedited services](#). This service will cost you an additional \$60.
