The following AVED graduate courses will be taught during the “1st 8-weeks” of the spring semester, January 11 – March 4, 2016.

(On-line via D2L)

- AVED 5663: Issues in the Airline/Aerospace Industry (Chad Depperschmidt)
- AVED 5823: Space Science (Steve Marks)

The following AVED graduate courses will be taught during the “2nd 8-weeks” of the spring semester, March 7 – April 29, 2016.

(On-line via D2L)

- AVED 5563: Aerospace Leadership & Management (Timm Bliss)
- AVED 5893: Aerospace Executive Decision Making (Erin Nelson)

The following AVED graduate “research” course will be taught during the traditional 16-week spring semester, January 11 – April 29, 2016.

(On-line via D2L)

- AVED 5053: Guided Readings in Research (AVED Faculty)
- AVED 5153: Capstone in Aerospace Research (AVED Faculty)

All AVED Master’s students who are ready to begin their Creative Component (research component), please contact your AVED faculty advisor for enrollment. Remember, AVED 5053 must be taken before AVED 5153 because it is the preparatory course for the Creative Component.

For additional information regarding the semester course schedule or the AVED graduate programs, please contact Dr. Timm Bliss, AVED Program Coordinator for Graduate Studies. timm.bliss@okstate.edu

For additional information regarding the “Outreach enrollment process” in AVED coursework, please contact Vallory Vencill, Coordinator for International Studies and Off-Campus Programs. vallory.vencill@okstate.edu
