AVED Graduate Courses
“Master of Science”
Summer 2015

The following AVED graduate courses will be taught during the traditional 8-week summer term, June 8 – July 31, 2015.
(On-line via D2L)

- AVED 5453: Advanced Aviation Security (Jon Loffi)
- AVED 5883: Aviation Economics (Jack Troutt)
- AVED 5963: Airport Operations (Kristy Slater)

The following AVED graduate “research” courses will also be taught during the traditional 8-week summer term, June 8 – July 31, 2015.
(On-line via D2L)

- AVED 5053: Guided Readings in Research (AVED Faculty)
- AVED 5153: Capstone in Aerospace Research (AVED Faculty)

All AVED Master’s students who are ready to begin their Creative Component (research component), please contact your AVED faculty advisor for enrollment. Remember, AVED 5053 must be taken before AVED 5153 because it is the preparatory course for the Creative Component.

For additional information regarding the semester course schedule or the AVED graduate programs, please contact Dr. Timm Bliss, AVED Graduate Coordinator. timm.bliss@okstate.edu

For additional information regarding the “Outreach enrollment process” in AVED coursework, please contact Vallory Vencill, Coordinator for International Studies and Off-Campus Programs. vallory.vencill@okstate.edu
