AVED Graduate Courses

“Doctor of Education”

Spring 2016

The following AVED “doctoral” course (on-line via D2L) will be taught during the “1st 8-weeks” of the spring term, January 11 – March 4, 2016.

- AVED 5593: Influencing Public Policy in the Aerospace Industry (Erin Nelson)

The following AVED “doctoral” course (on-line via D2L) will be taught during the “2nd 8-weeks” of the spring term, March 7 – April 29, 2016.

- AVED 5553: Aerospace Proposal and Procurement (Erin Nelson)

The following AVED “doctoral” research course (on-line via D2L) will be taught during the traditional 16-week spring term, January 11 – April 29, 2016.

- AVED 6103: Doctoral Seminar in Aerospace Education (Timm Bliss)
  (This research course focuses on “The Dissertation Process”)

All AVED doctoral students who did not earn their Master’s degree from OSU can also enroll in AVED coursework from the Master of Science schedule. The doctoral students that did graduate from OSU with a Master’s degree can also take coursework from the Master of Science schedule provided the coursework was not completed for Master’s credit.

For additional information regarding the semester course schedule or the AVED graduate programs, please contact Dr. Timm Bliss, AVED Program Coordinator for Graduate Studies. timm.bliss@okstate.edu

For additional information regarding the “Outreach enrollment process” in AVED coursework, please contact Vallory Vencill, Coordinator for International Studies and Off-Campus Programs. vallory.vencill@okstate.edu
