AVED Graduate Courses
“Doctor of Education”

Summer 2015

The following AVED “doctoral” courses (on-line via D2L) will be taught during the traditional 8-week summer term, June 8 – July 31, 2015.

- AVED 6413: Development of Air and Space Flight (Steve Marks)
- AVED 6773: Applied Aviation and Space Research (AVED Faculty)

(Only doctoral students who are currently working on the first three chapters of their dissertation or have already collected data and writing on chapters 4 and 5, are approved to enroll in AVED 6773. If enrolling in this research course, please enroll in your dissertation advisor’s section number).

AVED Graduate Courses
“Doctor of Education”

Fall 2015

The following AVED “doctoral” course (on-line via D2L) will be taught during the “1st 8-weeks” of the fall term, August 17 – October 9, 2015.

- AVED 5463: Aerospace Risk Assessment (Steve Carson)

The following AVED “doctoral” course (on-line via D2L) will be taught during the “2nd 8-weeks” of the fall term, October 12 – December 5, 2015.

- AVED 6613: Aviation Executive Development (Erin Nelson)

All AVED doctoral students who did not earn their Master’s degree from OSU can also enroll in AVED coursework from the Master of Science schedule. The doctoral students that did graduate from OSU with a Master’s degree can also take coursework from the Master of Science schedule provided the coursework was not completed for Master’s credit.

For additional information regarding the semester course schedule or the AVED graduate programs, please contact Dr. Timm Bliss, AVED Program Coordinator for Graduate Studies. timm.bliss@okstate.edu

For additional information regarding the “Outreach enrollment process” in AVED coursework, please contact Vallory Vencill, Coordinator for International Studies and Off-Campus Programs. vallory.vencill@okstate.edu
