Certificate Program Purpose

The purpose of the College Teaching Graduate Certificate is to help current faculty (including graduate teaching assistants) develop and improve knowledge, skills, and capacities for successful college teaching, as well as advance their teaching vision, philosophy, and adaptability in a rapidly changing society at a range of institutions of higher education.

Coursework

Four graduate courses (12 credit hours) are required for the Graduate Certificate.

**Required Course (3 credit hours):**
- CIED 5073 Pedagogical Research, or
- CIED 6073 Advanced Pedagogical Research

**Elective Courses (9 credit hours):**
Choose three courses from the following list:
- EDLE 6713/CIED 6030 Effective Teaching in Colleges and Universities
- CIED 5043 Issues in Teaching
- CIED 5093 Curriculum Design
- CIED 5623 Multicultural Diversity Issues in Curriculum
- GIED 5043 Issues in Teaching
- CIED 6093 Curriculum Design
- CIED 6133 Theory to Practice in Education
- EDTC 5503 Facilitating Online Learning
- AGED 5813: College Teaching of Agriculture and Natural Resources
- AGED 5823: Advanced Methods of Teaching Agriculture
  Or other courses upon advisor's approval.

All 12 credit hours can be transferred to the M.S. degree plan in Curriculum and Leadership Option in TLL. 12 credit hours including a minimum of two 6000 level courses can be transferred to the Curriculum Studies Option in Ph.D. in Education.

College instructors will develop:

- Understanding of college teaching and learning
- Ability to use research-based teaching strategies that engage diverse learners
- Ability and creativity to use online teaching component
- Capacity of effective curriculum design
- Teaching philosophy and vision
- Capacity to address diversity and skills to engage lifelong learning
