Q: I have a U.S. passport. What do I need to do?

A. If you have currently have a U.S. passport, please check the following:
   a. Your passport is valid for at least 6 months after your date of return
   b. Your passport has at least 2 blank visa pages (even if you will not need a visa)
   c. Your passport is in good condition and does not have significant signs of damage
   d. Your passport is signed (first page, where it says “Signature of Bearer”)

B. If your passport needs to be renewed, please click HERE:
   a. Complete the DS-82 form
   b. Submit your most recent U.S. passport
   c. Provide new passport photos
   d. Pay your fees

Important

- While processing time is listed as taking 4-5 weeks, it can take much longer to get your passport. PLEASE DO NOT WAIT to submit your passport application!
- If you will be leaving the country in 2 months or less, please use the expedited services. This service will cost you an additional $60.
