*This plan is only one example of how a student may successfully complete degree requirements in four years. Students are responsible for completing requirements as given in the official degree requirement sheet for each major.

Because most students transfer into the Therapeutic Recreation major, it is more common to complete RMTR 4480 and 4483 in the summer after completing coursework in the spring.

(F)=Course taught only in the FALL

(S)=Course taught only in the SPRING

*Elective hours may be chosen from upper division RMTR coursework or any of the following: EPSY 3113, EPSY 3413, EPSY 4063, HDFS 2233, HDFS 3203, HDFS 3413, or HDFS 3423.

Sixty hours must be completed at a senior college and must include 40 upper-division hours. The student must have 120 total hours with: (1) 2.00 graduation/retention GPA; (2) 2.50 GPA on degree plan; (3) 2.50 GPA on degree plan for enrollment in RMTR 4480; (4) 2.50 GPA in College/Department Requirements; and (5) 2.50 GPA in Major Requirements. The student must earn minimum grades of "C" or "P" in each course in the College/Department Requirements and Major Requirements.

THIS PLAN IS ONLY A GUIDELINE. PLEASE REFER TO YOUR DEGREE REQUIREMENT SHEET FOR SPECIFIC REQUIREMENTS.
